Arte HLM Outreach at Mueller Charter School

"Wow! This is so cool! I'm an artist!"

"My students were so engaged and excited to work with a real artist and follow her lesson to create their own work of art. She came to our school and set everything up. She brought all of the supplies and the students got to take home a beautiful canvas to share with their families. Before they took it home, they got to display it for our evening of the arts. Thank you for the amazing opportunity!"

Empresa Elementary students visit San Elijo Lagoon

"One student said 'this is the best day ever!' Another student said 'I've never ridden on a bus before, have you?' They were so excited. The bus ride was the best part of the field trip for some of the students. The generosity of the experience was amazing. They are an incredible group that put students first."
