

Celebrating 20 years!

Enriching Student Learning One Field Trip at a Time

With or ***Without*** the Bus!

February is San Diego Museum Month!

Teachers! Field trip funding is still available!

[Apply for funding](#) a bus or a virtual presentation today!

Over 100 local arts and science venues are anxiously awaiting the arrival of

botanical gardens, marine and animal habitats to supplement your in-classroom STEAM education.

Buses and bus drivers are in short supply. But you can still have a wonderful field trip. Here's a list of 20 venues offering "live, interactive, fun and educational Virtual Field Trips!"

High Tech High travels to the San Diego Air and Space Museum

"The entire trip was fantastic and really happy with the response from you all helping us so quickly and providing our students with such a wonderful experience. Thank you!!"

~ Ms. Payne.

Ira Harbison Elementary visits Casa del Prado Theatre

“My students received more benefits that I can count! In addition to the lessons we did before and continue to do after (see above), the trip to the theatre in and of itself has changed them. Their worlds have broadened, from that of their neighborhood to one of a beautiful park with fountains, and museums, and theaters, and restaurants. A world of dressing up and speaking in a different register. A world of possibilities.” ~ Ms. Clarken

6600 Students Served This School Year!

Over 6,600 students have or are scheduled to take amazing field trips this year because of you. Your support to ensure our San Diego teachers and students connect with amazing STEAM content only found outside the classroom is very much appreciated. For every \$10 you donate, a student takes an invaluable field trip to explore the benefit of becoming a scientist, technologist, engineer, artist or mathematician..just to name a few.

[Donate today.](#) Send a class for \$350 or an entire school population for \$10 a student. Pick your class, teacher, or school of choice.

A Heartfelt Thank You!

Program, and the County of San Diego Community Enhancement Program for their recent awards. Thank you, Mayor Gloria and Supervisors Fletcher, Vargas, Desmond, Anderson, and Lawson-Remer for supporting our mission to connect our teachers and students to the amazing STEAM content found only outside the classroom.

Thanks to the Rice Family Foundation, Union Bank, Kiwanis of La Jolla, and the Palmer Family for joining us again to support our terrific teachers and students in 2022.

A special THANK YOU to our Major Donors!
