

WE ARE ON OUR WAY!

Enriching Student Learning One Field Trip at a Time, With or Without the Bus!

Fall In Love with Museums!

February is Museum Month!

Do you love animals? Science? Art? Gardens? Well you're in luck! February is **Museum Month** in San Diego County. Don't miss the opportunity to get 50% off admission to gardens, museums, science and environmental centers and other cultural institutions. To get your **Museum Pass**, just visit any San Diego County library or download [here](#).

We met our challenge and then some!

Thanks to the generosity of Dr. Gigli and an anonymous donor, ArtsBusXpress met and exceeded the \$10,000 matching grant by raising \$22,000. This means that up to 880 TK-12 students attending San Diego County public or charter schools will have an opportunity to have an amazing field trip experience! But our work is never done! Help us send hundreds more by donating today!

Teachers, an Important Announcement!

Due to overwhelming demand, field trip funding is on a temporary hold for the remainder of the 2022-23 school year. All field trips awarded previously and scheduled before June 2023 will be honored. We will notify you once funding becomes available.

Fourth Grade Students Visit San Diego Children's Museum Escondido!

"This experience was wonderful for all of my students. It had been over two years since any of them had been on a bus and a field trip. They were beyond excited and enjoyed every moment."
