"I loved this field trip and am so grateful my students got to go and have such a memorable experience. If it were not for this bus grant, I don't think we would have enough drivers to go on our trip and we probably would have canceled it. Thank you so much!"

"Students were extremely engaged and loved the hands-on project. The community building was a great enrichment activity as we were learning about communities. Alex and Chelsi were amazing".

"I can't wait to have the opportunity to do this again next year. I feel like the kids were so excited to be able to have a take-away so that they could keep their project".
